"These experiences have left me humbled by all the amazing work that United Way of Calhoun County does for our community. Through this process, I have seen the how United Way makes an impact with every dollar it allocates. That is why I am so excited to be nominated as the chair for the 2021-2022 campaign with Dr. Rhonda Nielsen as Co-chair. Together we will strive through the adversities and prove to be more than overcomers for Calhoun County."
